

6 important factors to consider when selecting your water conditioning system:

PRICE

PERFORMANCE

Nobody beats Safeway Water® for price and performance! We offer **top-of-the-line equipment** and **highly affordable prices!**

SALT USAGE

WATER CONSUMPTION

Safeway Water valves typically use **40% to 60% less salt** and **57% less water** per regeneration, compared to mechanical metered valves, sold by our competition.

CUSTOMIZATION

Our valves have **fully adjustable cycles**, so we can make adjustments to meet your specific requirements.

Safeway Water systems offer HIGH PERFORMANCE and come with HIGHLY AFFORDABLE PRICES!

For more information please contact the authorized Safeway Water dealer listed below. Our dealers are trained water treatment professionals, and we test water for free!

Safeway Water®

WARRANTY

We offer the **best warranty in the business**, including, lifetime on mineral tanks, seven years on control valves and five years on brine tanks. (See warranty card for more details.)

TRIPLE TREAT WATER™

CONDITIONING SYSTEMS

Two tank system for whole house water filtration and conditioning!

Here's how it works:

Tank 1: The process starts in tank #1, where harmful chemicals that may be in your water are reduced using an NSF certified activated carbon. Chlorine, bad taste and odors are also removed during this process, so you get high quality, great tasting drinking water from every tap in your house!

Tank #1 Removes:

- ✓ Harmful chemicals
- ✓ Chlorine
- ✓ Tastes
- ✓ Odors

Tank 2: The final water treatment process occurs in tank #2, where your water is softened using the ion exchange water treatment process. This treatment prevents Calcium scale from forming in your hot water heater, dishwasher, coffee maker and other hot water appliances.

Other benefits include:

- ✓ No mineral deposits on dishes and glassware
- ✓ No soap build-up on shower walls and doors
- ✓ No more "bad hair days"
- ✓ No dry, itchy skin
- ✓ Brighter laundry
- ✓ Better tasting beverages
- ✓ Better quality water for your health!

Get high quality water from every tap in your house

Triple Treat Water™ systems remove:

3

- Harmful chemicals
- Chlorine, bad taste and odors
- Water hardness

ENJOY THESE MANY BENEFITS WITH SAFEWAY WATER® CONDITIONING SYSTEMS!
